	Staff will monitor students' progress on standards in order to know when they achieve mastery	Activity 2: Teachers will develop a system for student monitoring using data notebooks that will be utilized by all necessary staff members.	Students and teachers will track progress within the notebooks.		
	Strategy - KCWP#:5 Design, Align, and Deliver Support	Activity 1: Teachers will ensure that formative and summative assessments, as well as universal screener data are used appropriately to determine tiered intervention needs.	Assessment data	Ongoing	No funding required
	Staff will develop systems and processes to ensure appropriate academic interventions are taking place to meet the needs of all students.	Activity 2: Teachers will utilize computer-based programs as additional interventions and review data regularly to inform instructional decisions.	Program reports on student progress	Ongoing	No funding required

3: Growth

State your Growth Goal

Goal 3: Growth: By fall 2021, the school will increase the number of students at or above norm grade level mean RIT in grades K - 5 in reading and math from 35% to 45% on the MAP growth assessment.
