GED**

**Call (502) 485-3400.**

We will email a welcome message which will include the link to our enrollment form using software called myOneFlow.

You can also find a link to the enrollment form at [www.GED4u.com](http://www.GED4u.com).

On your myOneFlow account you will watch an orientation video, see how to set up your GED.com account, and begin your Career Pathway Plan.

You must complete these before beginning your pre-tests.

You may test in person at Americana World Community Center or beginning September at Ahrens Learning Center.

You may also test online from home if you have a webcam, microphone, and reliable internet.

You will take the TABE test and/or the GED Ready Test based on your scores.

You will be given the class name, your instructor's name, and contact information. We will let you know the days and times your class meets online or in person.

If you score a 145+ on your Ready Test you may start taking the GED®. After passing all four sections (RLA, Math, Social Studies and Science) you have your GED!
