PROGRAM DESCRIPTION:

Camp Ready4K is a JCPS-funded program with documented, repeated success in boosting kindergarten readiness levels for students moving from Early Childhood to Kindergarten. For nearly ten years, we have held our popular and successful camp. Be prepared to change the life of a child with proven, engaging instructional materials and methods. Join our team.

MINIMUM REQUIREMENTS:

Employees must be available to work the entire length of the program, including two mandatory training days prior to the camp. School readiness is the focus of this program. Applicants must be familiar with, and priority will be given to, those who have a strong understanding of early childhood and/or kindergarten best practices. The ability to implement rigorous, engaging learning activities for a classroom of 4—and 5-year-old children and effective experience with classroom organization and management are essential.

Security Guard/Secretary/Clerk/Nurses/Bilingual Associate Instructors: Must have experience with these duties.

DESIRABLE REQUIREMENTS: Previous experience working with preschool-age and elementary students is desirable but not required.

SPECIAL REQUIREMENTS:

Experience working with preschool or elementary-age children. Assistants need bus monitor training, which will be provided to those who have never had it.

Exceptional Child Education

2024 Exceptional Child Education Extended School Year (ESY) Program Classified Staff Positions

The Exceptional Child Extended School Year (ESY) program for qualifying ECE students will be held at various district locations throughout the summer.

Positions: ECE Instructional Assistants for students with the following disabilities: MSD, OHI, and AUTISM.

Exceptional Child Education Instructional Assistants who apply for this program should have prior experience working with students with disabilities and must be able to complete the summer assignment. Duties include: assisting with instruction, assisting with behavior management (which may include a requirement for specific training related to the individual students' behavior intervention plans), and providing assistance with personal care needs such as positioning, toileting, feeding, lifting and mobility.

Location: Location will be assigned by the ECE ESY Office at various school or community sites based on student needs.

2024 ESY Work Calendar

Weekly service time will likely range from 5-25 hours per week, as an estimate, with services occurring on various weeks throughout the summer. ECE Instructional Assistants in the position will be assigned a schedule based on need and availability.

Pay Rate: The rate of pay is based on the hourly rate commensurate with the assistants' regular salary schedule.

Positions will be filled based on application, programmatic needs, and the applicant's work attendance during the current school year. Jobs are for the summer of 2024. Applicants must be able to complete the summer assignment and must apply online through JCPS.

Program Administrator: Stefanie Lynch, Supervisor of Transition/ESY 502-485-6318

This position will not operate a Board vehicle.

IMPORTANT: Please apply using the name that actually appears currently in the JCPS employee system. Applying with another name due to change in marital status, other name change, nickname, etc. could cause a delay in processing applications
