Classification	Amount
All Eligible Employees	\$10,000 or increments of \$10,000 to a maximum of \$300,000

Note: Your overall combined maximum for Basic and Supplemental Life Insurance is \$350,000.

You may elect coverage under any one of the available options shown above for Supplemental Life Insurance. Once you have made a selection, if you wish to make a change, your employer can provide you with information on how and when changes can be made.

Evidence Requirements

To become insured for Life Insurance coverage, certain requirements will need to be met. You can become insured for Life Insurance in excess of \$200,000 as long as you submit evidence of good health, and **Aetna** approves. If **Aetna** does not approve your evidence of good health, the amount of Life Insurance will be limited to the Guaranteed Standard Issue amount.

In addition, the following apply while you are insured:

- If you first become eligible for an amount of Life Insurance in excess of the lesser of \$200,000, you can become insured for this higher amount only if you submit evidence of good health, and **Aetna** approves. This does not apply if the sole reason you become eligible for the higher amount is because of an earnings increase.
- You first elect to increase your Life Insurance by more than one level or multiple of your basic annual earnings then you can only become insured for the higher amount if you submit evidence of good health, and **Aetna** approves. This applies even if **Aetna** has approved evidence of your good health in the past.
- You elect to increase your Life Insurance by any amount after you have applied for an Accelerated Death Benefit, you can become insured for this higher amount only if you submit evidence of good health, and **Aetna** approves.

If you do not or did not elect Life Insurance within 31 days of the date you were first eligible to elect Life Insurance, whether under this Plan or any other group plan sponsored by the Policyholder, coverage under this Plan will not take effect until you submit evidence of good health to Aetna. If evidence of good health is not acceptable to Aetna, you will not be eligible for coverage under this Plan.

Evidence Requirements for Dependents

For your dependents to become eligible for Life Insurance coverage, certain requirements will need to be met. Note that the dependent eligibility date is the date you can first elect coverage for a dependent.

- If you request Life Insurance coverage for the dependent **within 31 days of the dependent eligibility date**; and
- If you are eligible for a Life Insurance amount in excess of \$50,000 for your spouse;

your dependents will become eligible for a Life Insurance amount that is greater than the limits listed in the above section as long as you submit evidence of the dependent's good health, and **Aetna** approves.

Requests Submitted More Than 31 Days after the Dependent Eligibility Date

If you request Life Insurance coverage for a dependent spouse more than 31 days after the dependent eligibility date, the dependent spouse can become insured as long as you submit evidence of the dependent's good health, and **Aetna** approves.

If, while insured for dependent coverage you first become eligible for a Life Insurance amount that is greater than \$50,000 for your spouse, your dependent spouse can become insured for a Life Insurance amount that exceeds the limits noted above. This only applies if you submit evidence of your dependent spouse's good health, and **Aetna** approves.

Thereafter, when eligible, you may increase your dependent spouse's coverage by one additional increment of up to \$25,000 without having to submit evidence of good health to **Aetna**. If you elect to increase coverage by more than one increment or if the incremental increase is more than \$25,000, evidence of good health will be required. This applies even if, in the past, **Aetna** has approved evidence of your dependent's good health.

If you must submit evidence of your dependent spouse's good health, you must notify **Aetna** if any information that has been submitted to **Aetna** on your dependent spouse's behalf has or would change as a result of knowledge gained prior to **Aetna** notifying you that your spouse has been approved for the Life Insurance amount which is subject to evidence of good health.
