**Enter Performance Measure Summary:**

(1.) 120 elementary school students who have truancy issues will be mentored by six Members throughout the school year. Members will engage in activities related to improving the attendance of their assigned students. (2.) Students participating in REACH will improve their attendance when compared to a control group. (3.) Participating students who remain at the school site throughout the school year will increase their attachment to school through interactions with a caring adult who will continually stress the importance of educational success.

**Output:**

Six Americorps Members will be placed at six elementary school sites. Each Member will be matched with 20 students at each school with a total of 120 students mentored.

**Results To Date:**

**1st Quarter:**

Six AmeriCorps Members have been placed at six elementary school sites. There are currently 126 students being mentored at the six schools.

**2nd Quarter:**

Six AmeriCorps Members are at six elementary school sites. There are currently 123 students being mentored at the six schools.

**3rd Quarter:**

**4th Quarter:**

**Intermediate Outcome:**

A minimum of 70 elementary students who are matched and mentored by Americorps Members will show improved school attendance when compared to the student's previous year's attendance.

**Results To Date:**

**1st Quarter:**

83 elementary students improved their attendance compared to the same time period last year. On average, elementary students missed 1.6 fewer days (i.e., 3.5 days vs. 5.1 days) by mid-year. The goal is to have a minimum of 70 students improve school attendance by the end of the year.

79 elementary students improved their year to date attendance compared to the same time date last year (April 11, 2010). On average, elementary students missed 2 fewer days (i.e., 7 days vs. 9 days). The goal is to have a minimum of 70 students improve school attendance by the end of the year. So far, REACH elementary students have missed 216 fewer days in 2011 compared to 2010.

**2nd Quarter:**

**3rd Quarter:**

**4th Quarter:**

**End Outcome:**

Ninety of the 120 elementary students matched with AmeriCorps Members will remain matched throughout the school year. Also, student responses on the JCPs Comprehensive survey will show improved satisfaction.

**Results To Date:**

**1st Quarter:**

126 of 127 elementary students have maintained their match to date. The Comprehensive Survey data should be available for the 3rd quarter report.

**2nd Quarter:**

123 of 127 elementary students have maintained their match to date. The Comprehensive Survey data should be available for the 3rd quarter report.

**3rd Quarter:**
