

April 12, 2020

Dear JCPS Family:

We hope you've enjoyed the weekend and are ready for another great week of Non-Traditional Instruction (NTI). Thank you for your support and commitment to your student during this important time. Here are some things to remember as we prepare for our second week of NTI.

### **Student Password Support**

- If you need assistance with your student's password to get into Google Classroom or if you have login questions, please contact your child's school.
- When contacting your child's school you will have to leave a message and someone from the school will call you back. Please provide the following information when leaving a message:

My name is \_\_\_\_\_(*your name*).

My student's name is \_\_\_\_\_(*student's name*).

My student is in \_\_\_\_\_ grade.

I need help with \_\_\_\_\_(*my student's password, logging into Google Classroom*)

My phone number is \_\_\_\_\_(*the best number to reach you*).

The best time to call me is \_\_\_\_\_(*when someone can most likely get ahold of you*).

### **Teacher Contact**

- If your child hasn't been contacted by their teacher(s) yet, please contact the teacher via email or leave a message at the school and include the information listed above.

### **Share Your Stories with Us!**

- We love seeing our students engaged in learning, especially during NTI. Share your family's success stories during NTI on social media by using the #WeAreJCPSAtHome. Don't forget to follow JCPS on Facebook (Jefferson County Public Schools), Twitter (@JCPSKY) and on Instagram (@JCPSKY) for the latest district information.

As you determine the best schedule for your family during NTI, please know that our teachers and principals will be flexible to meet your needs. You are doing great JCPS families!

Sincerely,  
JCPS Communications
