

April 20, 2020

Dear JCPS Family:

After receiving guidance from Governor Andy Beshear and Kentucky's Interim Education Commissioner, **JCPS will not have in-person classes for the remainder of the school year.** This means students will complete the rest of their coursework for this school year through Non-Traditional Instruction (NTI). Thank you for continued support during NTI and helping us to make this a success.

Here are a couple of other items of interest regarding your child:

- **Grading:**
  - At the **elementary and middle** school level, student progress will be recorded as *Met* or *Not Yet Met* curriculum standards. If a student has “not yet met” a standard, the teacher and family will work together to establish a plan to help the student meet their goals.
  - In **high** school (and middle school courses offered for high school credit), students will receive letter grades. Participation in NTI can help improve a grade while non-participation will lead to an *Incomplete*. There will be plans for high school students to make-up work if they receive an “incomplete” in a course.
  
- **Meals:**
  - JCPS has now distributed more than a half million breakfasts and lunches to children in Jefferson County since March 16th. Today alone, more than 46,000 meals were handed out at more than 60 [meal sites](#), including a few new mobile sites. The sites are open Monday, Wednesday and Friday from 10 a.m.- 1 p.m. Any child 18 and under is eligible to receive the meals.

Don't forget to follow us on [Facebook](#), [Twitter](#) and Instagram (@JCPSKY) for the latest JCPS news and updates. Please share your NTI pictures with us and use the hashtag #WeAreJCPSAtHome to help us continue to encourage our students while we remain Healthy at Home.
