Whole Life Insurance •••

What is whole life insurance?

Whole life insurance is more than just life insurance at an affordable price. It combines the guaranteed premiums, coverage, and values that have always been so attractive in whole life insurance with the advantages of cash accumulation at current interest rates.

With whole life coverage you choose the amount of insurance or the amount of premium that best suits your needs and budget.

Our Whole Life workplace insurance is an endowment at age 95 life insurance policy, which means the face value would be paid to the insured, if living, at age 95.

Did you know? •••

- ✓ If you have a family, whole life insurance enables you to build a cash reserve for yourself, your spouse, your children, and grandchildren for less than 1 hour's pay per week. It's a sound way to protect your family without exceeding your present budget.
- ✓ If you're single with no dependents, the flexibility of the whole life plan allows you to expand your coverage to meet future responsibilities.
- ✓ If you are nearing retirement, obligations and responsibilities have probably come and gone in the past few years. Now you can think about your future. Your whole life plan can be continued after retirement at the same premium.

44% of families say they would face financial hardship if the primary wage earner died within 6 months. For 28%, it would be within just one month.

69% of consumers with life insurance say they are less stressed knowing their loved ones are financially protected with life insurance.²

Catastrophic Loss Rider/ Chronic Illness Rider*

*Referred to as Chronic Illness Rider in MA only

While Boston Mutual's Whole Life Insurance policy provides benefits during life's most challenging moments, the Catastrophic Loss Rider provides you and/or your spouse additional financial protection should the insured lose (either temporarily or permanently) their ability to care for themselves.

Did you know? •••

Approximately 6 million adults (2.4%) required the help of another person with activities of daily living (ADLs) such as eating, dressing, or bathing, and 8.3 million required help with instrumental activities of daily living (ADLs) such as household chores or shopping.**

** Summary Health Statistics for the U.S. Population: National Health Interview Survey, 2018

This coverage provides a monthly benefit (up to 2.5 times the face amount) payable to you for up to the maximum benefit period after you have satisfied the elimination period and continue to qualify for benefits.

Catastrophic Loss Rider Highlights •••

- ✓ Benefit trigger loss of two or more daily living activities (continence, bathing, transferring, dressing, toileting and eating), under the regular care and attendance of a physician.
- ✓ Does not reduce the face amount of the life insurance policy.
- ✓ No requirement for hospital confinement, skilled nursing, or home health care.
- 6/6 month pre-existing condition exclusionary period.
- ✓ No additional medical questions. Follows the same underwriting as the Whole Life coverage.
- ✓ Diagnosis of this loss must occur after the effective date of this coverage.

How to get this type of insurance •••

You and/or your spouse elect a new Whole Life Policy with Boston Mutual with a minimum face amount of \$8,000.** Add on the Catastrophic Loss Rider[†].

**In certain instances, state replacement laws may apply. †Elimination periods, benefit periods, and benefit amounts may vary by employer.
