

## Summary of Current Federal, State, and Local Regulations and Policies Relevant to Community Involvement

Updated 12/04/2014

| Community Involvement  | <b>Regulations and Policies</b>  |   |
|--|--|---|
| <p>An integrated school, parent, and community approach can enhance the health and well-being of students. School health advisory councils, coalitions, and broadly based constituencies for school health can build support for school health program efforts. Schools actively solicit parent involvement and engage community resources and services to respond more effectively to the health-related needs of students.</p> | <b>Note: If policies differ, the most stringent policy will apply.</b>   |   |
