Schools are on a Delayed or Alternative Schedule

- When the start of the student school day is delayed by two or more hours, teachers will operate on a delay of one hour less than the delay for students.
- All employees represented by JCAESP/AFSCME, except those working at the Nutrition Service Center, have the option of reporting on a normal schedule or on a delay of one hour less than the delayed time of students. Employees shall be allowed to make-up the loss of time within the same pay period on scheduled work days if time allows, otherwise the employees will be docked the time not worked.
- Nutrition Service Center, location 259, employees represented by JCAESP/AFSCME, shall report at their normally scheduled report time on days when the JCPS operates on a delayed schedule.
- All other employees should report at the normal time even if schools operate on a delayed basis.
- If students are to be dismissed early, employees are expected to remain at their worksite. If employees are to be dismissed early, they will be notified by their supervisor or via the district’s emergency communication system.
