

ONE HOUR. MAKE A DIFFERENCE.

MAKE THE CONNECTION.

Make the Connection Helps JCPS Middle School Students Explore Careers

THE GOAL: Every 7th grader in a JCPS middle school has the opportunity to meet with a professional to hear about their career and the path that got them there.

THE NEED: In order to reach our goal, we need **1,200 citizens to give 1 hour of their time.**

THE DETAILS: Make the Connection will happen during the month of October, and there are flexible locations and times. It is a fulfilling experience for volunteers to connect with students at a transitional point in their lives. Volunteers will conduct two 30-minute conferences with three seventh-grade students during each 30 minute session.

GET INVOLVED: E-mail _____ who is coordinating the efforts for our organization to sign up! Or contact the Business Partnerships office at JCPS at (502) 485-3995 or tawnya.may@jefferson.kyschools.us.
