Since the last meeting, there has been a reorganization for roles and responsibilities in the district. Student Assignment has been moved to the Office of School Choice which is under the Chief of Schools. There are two new members on the Advisory Committee—Dr. Devon Horton, Chief of Schools, and Cassie Blausey, Executive Administrator for School Choice.

In addition, the Jefferson County Board of Education has entered into an agreement with the Kentucky Department of Education regarding the results of an audit. The agreement states, "KDE understands that JCPS is currently reviewing the provisions of the JCPS student assignment plan. JCPS agrees to continue its review and to have modifications to the existing student assignment plan in place for the 2020-21 school year."

The district had no responses to the Request for Proposals (FRP) for the community survey. Ms. Blausey and Ms. Dempsey have been reaching out to vendors to get quotes for conducting a community wide survey this fall. The advisory committee members wanted to make sure that we work with community leaders to make sure all voices are heard.

Dr. Pollio assured the committee that the district is open to all voices and that the results of the survey will help drive the development of a plan.

The next meeting is scheduled for October 2, 2018 at 5:30 p.m.
