

# Do you know someone who needs to earn the GED® credential?

Skills U at JCPS Adult Education offers FREE morning, afternoon, and evening classes to help!

Call us at (502) 485-3400 to get started.

Call the intake center at (502) 485-3400 or walk-in to:  
Ahrens  
546 S 1st Street  
Monday - Friday  
8:00 am - 4:30 pm.

Our intake staff will help you decide which class site will best suit your needs and schedule your appointment at that site.

The Test of Adult Basic Education (TABE) is an assessment that lets you know if you are GED®-ready, or if you need to brush up on your reading and math skills before taking the GED® Test.

The TABE has two parts - reading and math. You will complete part one at the site.

You will complete part two.

Site staff will review your TABE results with you and discuss your short- and long-term goals.

If you are GED®-ready, staff will provide vouchers for you to take the GED Ready® Test (the pre-GED® Test required by the state) free of charge. Vouchers to help defer the cost of the GED® Test are also available on a limited basis.

Your classes begin.
