22 of a reputable treating physician stating that the employee or a member of the employee’s
23 “immediate family” was ill on the day or days absent and providing the employee has not
24 exhausted all of the current and accumulated sick leave credit.
25

27 foster children, grandchildren, daughters-in-law and sons-in-law, brothers and sisters, parents
28 and spouse’s parents, and grandparents and spouse’s grandparents, without reference to the

30 home.
31

- 32 2. Each full-time employee shall be credited not less than ten (10) and no more than twelve (12)
33 days of sick leave each year, without deduction of salary. Employees must be in active pay
34 status or on an approved leave during their scheduled work year in order to utilize sick leave,
35 unless the employee submits documentation to support a leave under Board Policies 03.22322
36 Family and Medical Leave or 03.2234 Medical Leave. The unused portion of the sick leave
37 allowance may accumulate year-to-year without limitation.
38
- 39 3. When an employee becomes ill on the job the employee may choose to take sick leave or be
40 docked for the time not worked.
41
- 42 4. Sick leave may be taken in whole days only, except that an employee may take one-half (1/2)
43 day sick leave not more than six (6) times within a running twelve (12) month period in which
44 case an attending physician’s statement shall be required.
45
- 46 5. If an employee uses all accumulated sick leave and is still unable to return to assigned duties,
47 prior to its expiration the employee may apply for and be placed on unpaid medical leave of

1 absence at which time it becomes the responsibility of the employee to assume the payment of
2 all insurance premiums not provided for in the Family and Medical Leave Act, if eligible. Prior to
3 returning to work the employee needs to contact the Benefits Department regarding
4 reinstatement in insurance programs.
5

6 6. Unused sick leave will not be paid upon layoff, resignation, or discharge of employees.

15 A pattern of sick leave use (i.e. consistent use of sick days following or preceding holidays)
16 and/or the failure to accumulate it, may be determined to be abuse of the sick leave privilege.
17 An employee who has been cited in writing for abuse of sick leave may be required by the
18 Employer to produce a medical/doctor's statement at any time.
19

20 8. When a plant operator is to be absent from work, the plant operator shall notify the Area

22 absence. When a custodian or housekeeping utility employee is to be absent from work, the

24 Administrator must be notified prior to that absence. An employee shall not be required to call
25 each day of a prolonged absence provided the employee had informed the administrator during
26 the initial notification of the specific days of anticipated absence. Failure to provide timely
27 notice of any absence may result in denial of sick leave.
28

29 9. When an illness causes an employee to exhaust paid leave of absence and the employee still is
30 unable to return to work, an excused unpaid leave of absence may be granted upon submission
31 of a physician's statement verifying the need for five (5) consecutive days after which unpaid
32 medical leave must be requested retroactive to the first day of unpaid absence.
33

34 10. First and second shift employees shall contact their supervisor a minimum of two (2) hours
35 before the beginning of their shift to request sick leave. A plant operator who fails to contact
36 their supervisor, or a custodian/housekeeping utility employee who fails to contact their plant
37 operator or, in the absence of a plant operator, the designated Housekeeping Administrator,
38 two (2) hours prior to the beginning of a shift may be denied use of sick leave.

45 Such notice shall be in writing and accompanied by an attending physician's statement
46 indicating the anticipated date of interruption in ability to work, whether the employee may
47 resume the assignment and the anticipated date of return. The employee shall not continue to
48 work past the date indicated in the attending physician's statement.

- 1 2. A medical leave of absence may be granted for a period of one (1) work year or less and

17

18 After sixty (60) paid or unpaid workdays, the employee will be placed on a list for assignment to
19 open positions when they become available.
20

- 21 4. Time for which an employee qualifies for workers compensation payments while on medical
22 leave directly resulting from accidents sustained in the course of fulfilling job responsibilities
23 shall count as service time for purposes of salary step placement when combined with regularly
24 paid days. A maximum of one (1) step shall be allowed for those on workers compensation
25 effective from July 1, 1982.
26
- 27 5. Employees who qualify for and are awarded workers compensation payments shall be placed on
28 medical leave with unused sick leave coordinated with the workers compensation payments so
